LETTER FROM THE IPMA PRESIDENT

DR. PATRICK SANCHEZ

Dear IPMA Membership,

Welcome to the 2023 Illinois Podiatric Medical Association's Annual Meeting. We are excited to host this year's meeting at the Hyatt Place in Rosemont.

The IPMA staff and Continuing Education Committee have been hard at work over the past year planning this year's meeting. I would like to thank them for their many hours sacrificed to host another exceptional Annual.

I would also like to thank the IPMA Board, staff and membership for a wonderful year as President. It was a very productive year and would not have been possible without the support of all parties. As we continue to move our profession forward, we will need to remain focused on our mission statement.

While sticking with our core didactic lectures, we have also added an economics panel to pique the interest of our members. In this ever-changing landscape of medicine, it is important to be in the know of every aspect of our profession.

Of utmost importance, our Annual Business Meeting will take place from 12:00 - 2:00. The Board will present updates from our committees as well as goings on of the past year. Additionally, we will vote for the Board Members for the 2023-2024 year.

Finally, please be sure to visit and thank our sponsors. Without their support, this meeting would not be possible. I look forward to speaking with you and hearing your feedback on the 2023 IPMA Annual Conference!

Sincerely,

Patrick Sanchez, DPM
IPMA President

IPMA ANNUAL MEETING MISSION STATEMENT

The Mission of the IPMA Annual Meeting is to promote the art and science of podiatric medicine and the betterment of public health through an annual program of continuing education and other professionally oriented instruction for podiatric physicians. This includes, but is not limited to, interactive session, demonstrations, and workshops specific to podiatric medicine.

WELCOME

TO THE 2023 ANNUAL BUSINESS MEETING

We have developed a lineup of fascinating lectures to help you meet your yearly CE requirements. Your association has been working on your behalf to expand the scope of practice, enact policies that are in the best interest of our members, and advocate for what impacts podiatrists in the state of Illinois most. With members from across the state, this event will attract a diverse audience of leaders from multiple disciplines.

The world is an ever-changing place of ideas, trends and economic and political forces, and our network is well-positioned to respond to these changes as they happen.

Through our collective work, IPMA member centered programs can play a leadership role in innovating and evolving to meet the needs of our varied stakeholders. We hope that this conference will energize you, introduce you to new ideas, and serve to improve your practice.

THANK YOU FOR JOINING US!

STANDING RULES FOR THE ELECTION

ILLINOIS PODIATRIC MEDICAL ASSOCIATION ANNUAL BUSINESS MEETING

FRIDAY, OCTOBER 7, 2023 // 12:00PM - 2:00PM // HYATT PLACE CHICAGO- O'HARE, ROSEMONT, IL

- 1) These Standing Rules elaborate on the IPMA Bylaws regarding the election of officers and directors at the Associations Annual Business Meeting.
- 2) Under the Bylaws, a quorum consists of 10% of the membership.
- 3) Elections will be conducted in the following order: President-elect, Vice President, Treasurer, Secretary (the officers), Directors At Large, and APMA Delegates. There will be no nominations from the floor.
- 4) For those board positions in which multiple nominees are to be elected (e.g., Director at Large) and there are more nominees than open positions, the nominees receiving the most votes cast, up to the number of open positions, will be elected. Voting Members are not required to cast a vote for each vacant position, but may vote only one for each nominee; in other words, if eight nominees are to be elected, all eight of the member's votes may not be cast for one nominee. In addition, voting members may not vote for more nominees than there are open positions. Actions on a ballot not permitted by the rules will spoil the ballot.
- 5) No write-in candidates are permitted.
- 6) If there is a contested position, the presiding officer will announce the election results.

BYLAWS CHANGES UP FOR VOTE

First Proposed Change:

Article IV Membership Meetings

Section 6. Mail or Electronic Vote

Voting by mail transmitted by the postal service or electronically shall be permitted in lieu of a vote at a duly called meeting for any item of business, including but not limited to the election of officers and directors. A mail or electronic vote may be called (i) by the Board of Directors; or (ii) upon written request to the Secretary of at least two-third (2/3) of the entire voting membership.

~~However, a A mail or electronic vote for the election of officers and directors automatically shall be conducted in the event that the election cannot occur at the Association's annual meeting of Voting Members because there is less than a quorum present at the meeting or in the event of an extenuating circumstances preventing the annual meeting on an annual basis.~~ The act of a plurality of ten

percent (10%) or more voting members returning ballots by a state certain shall be required for the election of officers and directors. For matters other than the election of officers and directors, the act of the members, unless the action of a greater number is required by law, the Articles of Incorporation, or these bylaws.

Second Proposed Change:

Article VI Section 9 - Strike and remove "to serve for the remainder of the unexpired term."

The way it stands now, we have (1) position that renews every 3 years and the other term elections are for multiple positions. This upcoming year, we will have an opportunity to correct that because we had a resignation. By removing the provision that they only serve for the remainder of the unexpired term, it will allow for a more fair election and reelection - leaving the # of positions variable at any given election.

Article VI section 9

In the event of the death, resignation, removal, or incapacity of a director at large, the Board of Directors may appoint an individual to fill the vacancy for the remainder of the term. In the event of the death, resignation, removal, or capacity of an APMA Delegate and subject to the terms of Article IX, Section 2(d)(ii) below, the Board of Directors shall appoint an alternate delegate to assume any delegate duties until the next annual meeting of the members, at which time a delegate will be elected by the members ~~to serve for the remainder of the unexpired term.~~

Third Proposed Change:

President Elect assumes the roll of Nominating Committee Chair, this change will take away any conflict as the President Elect position automatically ascends to the position of President, is not voted on during the elections.

Article VII Section 6:

The President-Elect shall perform such duties as may be assigned from time to time by the President or the Board of Directors. The President-Elect shall serve as the Chair of the Continuing Education Committee. ~~The President-Elect shall serve as the Chair of the Nominating Committee.~~ The President-Elect shall serve on the Board of the Illinois Foot Health Education Foundation. The President-Elect shall serve as an Alternate APMA Delegate (as defined in Article IX). The President-Elect shall assume the duties of the President in the absence of the President and shall succeed to the office of President in the event of the death, resignation, removal, or incapacity of the President. In the event of the resignation, removal, incapacity or vacancy of the President-Elect, an Acting President-Elect may be appointed by the President with approval of the Board. The office of President fur the following year must be voted on at the next Annual Meeting.

Article VII Section 7:

The Vice President shall perform such duties as may be assigned from time to time by the President or the Board of Directors. The Vice President shall serve as an Alternate delegate (as defined in Article IX) to the APMA House of Delegates. The Vice President shall serve on the Board of the Illinois Foot Health Education Foundation as its Secretary/Treasurer. The Vice President ~~shall serve as the Chair of the Nominating Committee and~~ shall assume the duties of the President-Elect in the absence of the President-Elect in the event of the death, resignation, removal, incapacity, or vacancy of the President-Elect.
