

IPMA ANNUAL CONFERENCE

Saturday, October 7th, 2023

The Illinois Podiatric Medical Association's Annual Conference and Business Meeting is an important event for **podiatric medical professionals** in Illinois. It provides an opportunity for networking, continuing education, and staying up to date with the latest advancements in the field.

Conference Highlights:

- **Educational sessions:** The conference features a range of educational sessions covering various topics related to podiatric medicine. These sessions are led by experts in the field and provide valuable insights and updates for attendees. Continuing Medical Education Credits will be given to attendees: **5 CME credits**.
- **Networking opportunities:** The conference brings together podiatric medical professionals from across Illinois, providing excellent networking opportunities. It allows attendees to connect with colleagues, share knowledge, and build professional relationships.
- **Exhibitor hall:** The conference includes an exhibitor hall where industry vendors and companies will showcase their latest products, services, and technologies. Attendees can explore the exhibits, learn about new products, and connect with vendors.
- **Business meeting:** In addition to the educational sessions and networking opportunities, the conference includes a business meeting for members of the Illinois Podiatric Medical

Association. This meeting allows members to discuss association-related matters and make important decisions.
